

DATASHEET

JUMP | CABLE

Compatible with:
AX2-50 Pixelbar, AX2-100 Pixelbar

Date: 01/28/21 Version: 1.0

A hybrid cable that combines power in+out and data in+out into 1 cable. Use it for a clean connection of 2 AX2-100 without sagging cables. Thanks to the special XLR connectors the JumpCable allows for a IP65 water resistant wiring connection.

XLR 5 PIN IN Power OUT

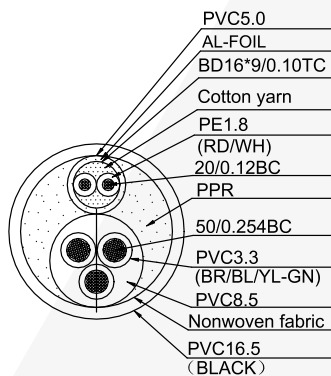

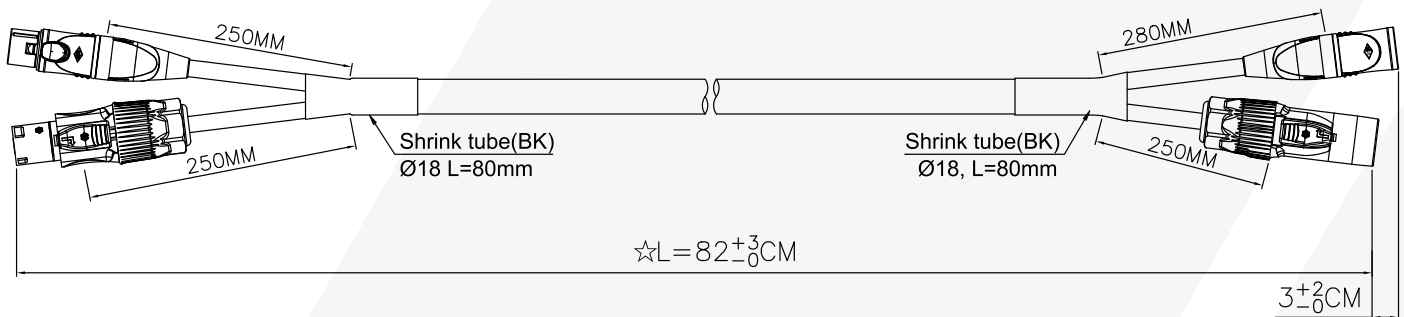

Power IN XLR 5 PIN OUT
